## LANGYARNS PAILLETES

We present LANGYARNS PAILLETES, our sparkly new sequin yarn for knitting along with other yarns. Perfect for combining with LACE, SURI ALPACA or with any of our classic merino qualities. How about adding a sequin detail at the neck or cuff, or putting on a shiny pocket?

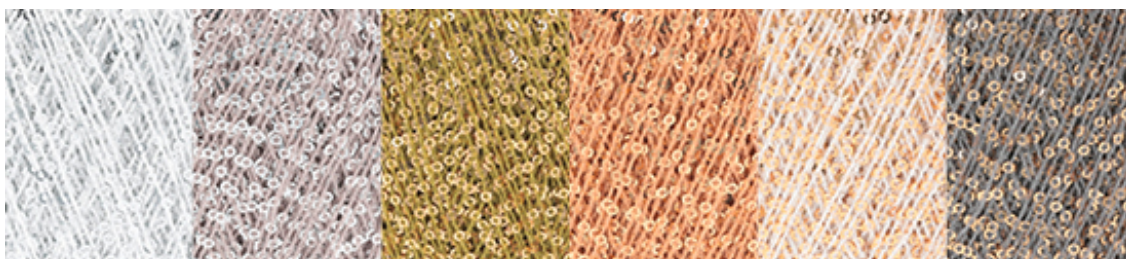

### PAILLETES

55% nylon / 45% polyester

112 m per 25 g

These sequins are actually quite dense, but small enough to allow them to be knitted without any great problems.

A knitting pattern for you

You will find the pattern for this sweater by Bärbel Diderichs on our blog. Enjoy knitting and wearing it!

Have a great weekend,  
Best wishes, Your LANGYARNS Team
