The Sock Edition

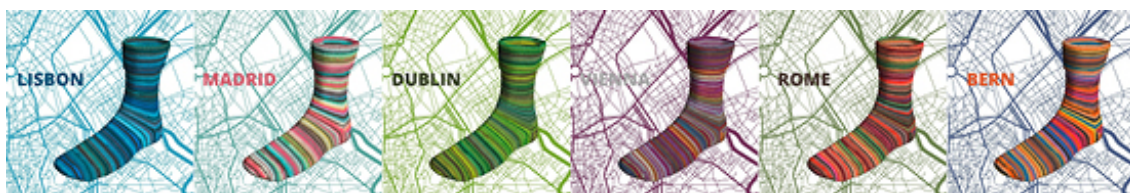

Happy Dots

The SUPER SOXX COLOR series "Happy Dots" is fresh and fun. With their motivational names, they make you want to knit them and feel fresh, happy, crazy, funny, cute and beautiful.

Capital Cities

As a souvenir or an inspiration for daydreams, this series of SUPER SOXX COLOR sweeps you off to the capitals of Europe: St. Patricks Day in Dublin, the Port of Lisbon, the Old Town of Madrid, or perhaps an Opera in Vienna? You can also choose to visit the Colosseum in Rome or the Onion Market in Bern (in sock form!).

Alpaca Soxx 6-ply

Just right for autumn, we have produced a 6-ply version of our ALPACA SOXX for you. With this your socks will knit up quicker and keep you extra warm. Of course ALPACA SOXX 6-ply isn't only for socks, it is also good for knitting sweaters or hats with cables.

Have a great weekend,
Best wishes, Your LANGYARNS Team
