#40 October 2021

Pink Ribbon Month

October is Breast Cancer Awareness Month. As part of the Pink Ribbon campaign, we will therefore present a pink model to you every week in October and donate the proceeds from the sale of the same to Pink Ribbon.

From 1 - 7 October, it's this soft and light-as-air colorblock jacket in ALPACA SUPERLIGHT. Buy the knitting instructions in our pattern shop and we will donate the full amount to Pink Ribbon.

LEO

45% wool / 44% cotton / 11% nylon

110m to 50g

With the combination of extra fine merino and cotton, LANGYARNS LEO brings together the advantages of both materials. Cooler than pure wool, but at the same time warmer than pure cotton, LEO is the perfect yarn for the changing of the seasons. Warming on a misty morning, but not too warm if the sun comes out later.

We recommend size 5.5mm – 6mm needles for a tension of 18 sts x 25 rows to 10 cm.

PUNTO 29 LEO

To go with our new autumn yarn LEO, we also have a pattern book for you, complete with seasonal designs. These 12 designs are available together in the publication Punto 29 LEO, or separately as digital downloads from our Pattern Shop.

A knitting pattern for you

You can download the pattern for the scarf knitted in LANGYARNS LEO from our Pattern Shop free of charge until October 8th 2021. The discount code for it is: **NL2140**. We hope you enjoy knitting and then wearing it!

Wishing you a great weekend,
Best wishes, Your LANGYARNS Team
