## FRIDA – good yarn vibes

Inspired by the strong colours used in the works of Frida Kahlo, the eponymous yarn FRIDA is available in six unique colour combinations. Whether you knit with it or crochet it, this colourful merino yarn just emanates good vibes everywhere.

### FRIDA

100 % virgin wool (extra fine merino - mulesing free)

220 m / 100 g

We recommend needle size 4mm – 4.5mm to obtain a tension of 19 sts x 26 rows to 10 cm.

PUNTO 30 FRIDA

To accompany our new autumn yarn FRIDA, we have a publication full of seasonal designs. The 14 patterns are available together in the publication Punto 30 FRIDA, or separately as single digital patterns from our Pattern Shop.

### Pink Ribbon Month

Buy the knitting pattern for this textured sweater in CASHMERE LIGHT in our Pattern Shop and we will donate the full amount to Pink Ribbon.

Have a lovely weekend,
