CASHMERE DREAMS

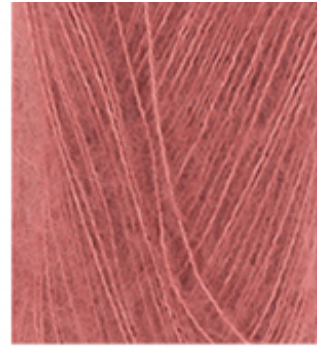

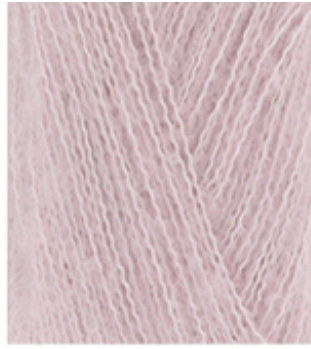

The name tells the story – dreamy cashmere and silk! We love CASHMERE DREAMS for fine shawls or for combining with a merino yarn to knit sweaters or scarves. Whatever you choose to knit, you will never wish to part with it.

CASHMERE DREAMS

65 % cashmere / 35 % silk

290 m / 25 g

We recommend needle size 3mm – 3.5mm to obtain a tension of 26 sts x 40 rows to 10 cm.

A pattern for you!

You can find the pattern for the hat knitted with CASHMERE DREAMS by Émilie Liauté on our Blog for free. Have fun knitting and wearing it!
