WOOLADDICTS HONOR

This week we'd like to introduce you to the new winter yarn from our WOOLADDICTS range: HONOR. With a core of merino encompassed by an aura of Suri Alpaca, this yarn combines the characteristics of both fibres to create fluffy and warm knits with a good, stable structure.

HONOR

50 % alpaca (Suri Alpaca) / 50 % virgin wool (extrafine merino)

100 m / 50 g

We recommend needle size 5.5mm – 6mm for a tension gauge of 17 sts and 22 rows to 10 cm.

A knitting pattern for you!

The pattern for this colour block sweater in 2 shades of WOOLADDICTS HONOR is available for you to download for free until December 3rd, with the code NL2148.

Or why not take part in the #letshyggekal and knit the 'Let's Hygge Pullover' with us. Each

week you will find a new section of the pattern, released on our blog.
