Snowflakes and Advent Socks

No matter whether it's hats or sweaters - with LANGYARNS SNOWFLAKE each project is as unique as a snowflake. And don't worry, the pattern comes directly from the ball thanks to a special printing technique. Minimal effort for maximum effect.

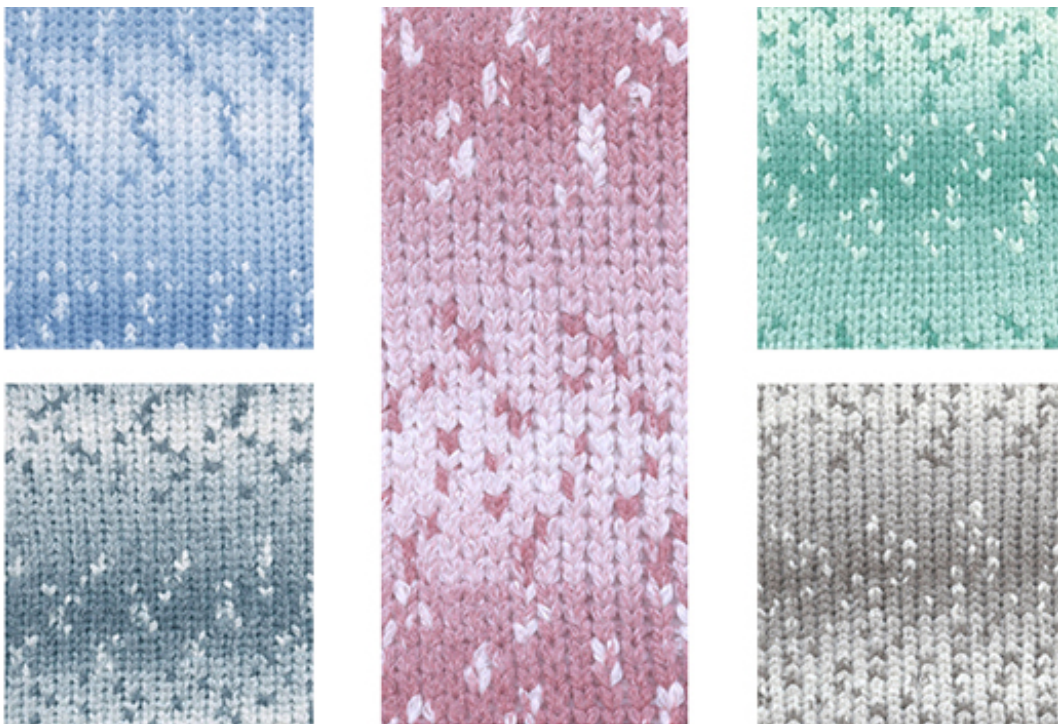

Working with 6mm – 7mm needles, pieces are knitted up and ready to wear in no time.

SNOWFLAKE

47 % cotton / 42 % baby alpaca / 7 % nylon / 4 % wool

115 m / 50 g

We recommend needle size 6mm – 7mm for a tension gauge of 16 sts and 23 rows to 10 cm.

Sock Advent

For us this year, Advent is all about socks.

In our digital publication «Sockology» you will find basic patterns for socks, including various types of heel using 4 ply, 6 ply and 8 ply sock wool.

Download it now! Available free of charge until 6/12/21 with the code: **SOXX**

Not to be missed

Tonight (3rd Dec 2021) at 7 pm (CET), Mr. Knitbear and DenDennis are taking over our Instagram Channel – where they will answer all your questions about socks live and tell all! The event will be held in English.

Stockists

Would you like to see SNOWFLAKE in the flesh, and try it out? Take a look at a local wool shop.

Here you can comfortably search for your nearest stockist. You will also find online shops in the list, of course.

Have a great weekend,
Best wishes, Your LANGYARNS Team
