## Punto 35 - LAYETTE MERINO 200

A little late...but we wish you a super start to the New Year, and what's more we wish you lots of enjoyable knitting and crochet!

For example, take one of the 23 contemporary baby designs from the publication "Punto 35 - Layette Merino 200". The clothes, accessories and cuddly toys made with MERINO 200 BEBE and MERINO 200 BEBE COLOR are especially soft and comfortable on a baby's skin, and if they get dirty you can just put them in the washing machine at 40°.

### Knitting pattern for you

Download the pattern for the ROMPERSUIT in MERINO 200 BEBE COLOR for free until 14/01/22, just go to our Pattern Shop and use the code **NL2201** at check-out.

Here you will find a list of stockists for the yarn: [Stockists](#).

Have a great weekend,  
Best wishes, Your LANGYARNS Team
